"It's a great honor to be school, county, and district 7 Teacher of the Year. It was a great compliment but being voted as favorite teacher by the sophomores is more of an honor because they trust me and feel I have a positive influence on them. I feel I'm a person they can turn to... and I have them spoiled!"

Mr. Jeremy Madden

Class of 2013,

Congratulations on the completion of your senior year at Fayette County High School. I hope this past year has been filled with memories that you will never forget. As you enter this next step in your life, I encourage you to remember the words of the famous actor Will Smith in the movie The Pursuit of Happiness, "Don't ever let someone tell you that you can't do something. You got a dream, you gotta protect it. When people can't do something themselves, they're gonna tell you that you can't do it. You want something, go get it. Period."

Sincerely,
Jeremy Madden

Coach Burkhalter was selected as a recipient of the 2012 Making A Difference Award. He was chosen by the Alabama High School Athletic Association and the Alabama High School Athletic Directors and Coaches Association. This award recognizes individuals who go beyond their normal duties as a coach, teacher, or administrator to make a positive impact in their schools and communities. Congrats, Coach B.!

2013 Band Trip

The 2012-2013 band trip was fantastic! Memories were made that will last a lifetime. The band toured the 9/11 memorial, St. Paul's Cathedral Church, NBC Studios, Rockefeller Center, Radio City Music Hall, Times Square, Central Park, Lincoln Center, and Top of the Rock. The band also took a cruise around the Statue of Liberty, watched "Once" on Broadway, and ate at Hard Rock Cafe. The band enjoyed The Big Apple, but they were happy to get back to "Sweet Home Alabama" for some sweet tea.

After all the planning and scheduling, Mr. Thomas enjoys the magnificent views of New York.

i am chosen

At FCHS, being chosen is something to be proud of. There are many feelings that go along with being chosen for a special recognition, such as excitement, nervousness, shock, pride, and joy.

The events of this school year have provided many opportunities for students to be "chosen", some for the very first time in their high school career.

The events captured in the next section will prove to be even more memorable for those students in the years to come.

Spirit Week

Spirit Week began with an island vibe; students donned leis galore and greeted each other with an Aloha for Hawaiian Day. On Tuesday, students were ready to save the world with Superhero Day. All the greats showed up, with numerous Batmen and Batwomen, a couple of video game legends, and many more. Wednesday brought out the high school's inner nerd, with bottle-cap glasses, suspenders, and all the other classic 'nerdy' garb. Walt Disney would be proud of FCHS students on Thursday, as many became their favorite Disney characters. Friday was a culmination of an eventful week as everyone showed off their homecoming t-shirts and tiger apparel.

The annual homecoming bonfire was a huge success. The band, cheerleaders, majorettes, and football players come together the night before the homecoming game for a pep rally to get the players pumped. The Fayette Tigers went on to defeat the Holt Ironmen **35-6!**

New Prom

The 2013 City Lights Prom was more than anyone could expect. With its insane black lights and flower arrangements with fish, the Junior class had to start a new tradition. Instead of giving the shirts out Thursday and wearing them Friday, those who attended the prom wore the shirts Monday as a reminder of the theme.

New Tradition

1. Spencer Clary, Mack Fulmer, and Luke Hardy act too cool for prom.
2. Julie Lawrence, Madi Freeman, and Mary Claire Hood cannot believe how awesome prom turned out!
3. Lyric Smith and Sara Brooks pimpin' at prom.
4. Kendall Parr and Estelle Clarisse enjoy their first FCHS prom!
5. Sumone Blackburn, Shamarie Savage, Malaysia Savage, Quenterria Brent, and Nykol Robertson take a break from dancing.

"This is the beginning of a new day. God has given me this day to use as I will. I can waste it or use it for good. What I do today is very important, because I am exchanging a day of my life for it. When tomorrow comes, this day will be gone forever, leaving something in its place I have traded for it. I want it to be a gain, not loss; good, not evil; success, not failure, in order that I shall not forget the price I paid for it."

Congrats, Dakota!

We may not live in the
same house, but we share
the same home.

It's where we work. It's where we play. It's where we raise our families.
That's why nothing makes us more proud than being part of this community.
