Book Club: *The Celebrants* by Steven Rowley

March 25

5:30 PM

Adults

It's been a minute—or five years—since Jordan Vargas last saw his college friends, and twenty-eight years since their graduation from Berkeley when their adult lives officially began. Now Jordan, Jordy, Naomi, Craig, and Marielle find themselves at the brink of a new decade, with all the responsibilities of adulthood, yet no closer to having their lives figured out. Though not for a lack of trying. Over the years they've reunited in Big Sur to honor a decades-old pact to throw each other living “funerals,” celebrations to remind themselves that life is worth living—that their lives mean something, to one another if not to themselves.

But this reunion is different. Jordan is sitting on a secret that will upend their pact.

Copies of the book are available for check-out beginning March 1.
